UA Supports your Child:

Trips for Students & Families to NYC's Science Museums & Cultural Institutions

- Your child will receive two Student+3 Free Admission vouchers which give your family complimentary admission to **8 UA Science Museums, Zoos & Gardens**. Each voucher is valid for up to four members of your family per visit.
- Student+3 Free Admission Vouchers will be distributed to your child by his/her science teacher and are valid through **June 30, 2018**.
- **Please check with your child's science teacher for more information about Student+3 trip vouchers.**
- UA Students and their families may also participate in School Community Field Trips, which are organized by your school's Parent Coordinator. These trips are scheduled for non-school days, and include free bussing to and from our UA institutions. Please check in with your school's Parent Coordinator for more information on School Community Trips.

Help with Science Investigations

- Your child can ask a UA science instructor a question about his/her science investigation at www.UrbanAdvantageNYC.com under the **DO SCIENCE tab.**
- Guidelines and the rubric for your child's long-term science investigation can be found at www.UrbanAdvantageNYC.com under the **DO SCIENCE tab.**
- View *Urban Advantage's Suggested Sections and Layout* for long-term science investigation project boards at www.UrbanAdvantageNYC.com under the **DO SCIENCE tab.**

Special Science Competition Opportunity

- Does your child LOVE science? Encourage your child to submit his/her UA Expo long-term science investigation to the 2018 **Broadcom MASTERS** National Science & Engineering Competition. **Broadcom MASTERS** (Math, Applied Science, Technology, and Engineering for Rising Stars) is a national science, technology, engineering, and math competition for 6th – 8th graders that inspires and encourages young scientists, engineers and innovators. This competition is an optional enrichment opportunity for Urban Advantage students.
 - For more information, please visit www.UrbanAdvantageNYC.org under the **DO SCIENCE** tab.
