

Visit the largest urban zoo in America and get up close to more than 600 species from around the globe. Meet exotic animals, birds, reptiles, and insects from across Asia, Africa, the Americas and more without ever leaving the Bronx.

Each Class Visit voucher admits up to 40 visitors, including chaperones and teachers. **Class Visit vouchers expire May 31.** We are open rain or shine, so please encourage your students to dress appropriately for the weather.

Vouchers can be used for General Admission, plus access to **one** of the following paid attractions:

- JungleWorld (all year)
- Wild Asia Monorail (May - October)
- Butterfly Garden (April - October)
- Congo Gorilla Forest (April - December)

The Zoo is a huge place – 265 acres! It is best to come with a plan for your visit. Try to focus on a theme, like Asian animals, African animals, predators, primates or rainforest animals. Consider having your students share in an activity to observe mammal behaviors or how species interact in our exhibits.

It is recommended that you pre-visit the Zoo on your own using your ivory-colored Teacher Planning voucher, so you can familiarize yourself with our layout. No reservation is required to pre-visit us using your Teacher Planning voucher. Please visit <http://bronxzoo.com/visitor-info> for directions, maps, operating hours, dining options, rules, feeding times, accessibility information and other useful visitor information.
