Dive in and experience the incredible diversity of the world's oceans, see our revitalized exhibits and experience the thrills of our Aquatheater! Have your students share in an activity to observe mammal behaviors or how species interact in our exhibits.

Each Class Visit voucher admits up to 40 visitors, including chaperones and teachers. **Class Visit vouchers expire May 31.** Parking is \$16 per bus, and is not included. We are open rain or shine, so please encourage your students to dress appropriately for the weather.

It is recommended that you pre-visit the Aquarium on your own using your ivory-colored Teacher Planning voucher, so you can familiarize yourself with our layout. No reservation is required to pre-visit us using your Teacher Planning voucher. Please visit <http://nyaquarium.com/visitor-info> for directions, maps, operating hours, dining options, rules, accessibility information and other useful visitor information.
