

CLASS TRIPS

Thank you for your interest in visiting! Class trip vouchers are valid for instructor-led workshops and self-guided tours at Queens Botanical Garden.

Workshops: Our themed and seasonal workshops guide participants through an exploration of our garden exhibits. Each theme comes with a culminating activity and take-home. Choose from one of the following workshop themes:

- Animal Architecture
- Art from the Garden
- Trees and Me
- Buzzworthy
- Bugging Out
- Plants We Eat
- Water in the City
- Nurtured by Nature
- Sustainability at QBG
- Farm Visit (April- Mid December only)

Self-Guided Tours: Explore Queens Botanical Garden at your own pace and investigate the specific exhibit areas that complement your needs and interests. Includes 10 adventure field guides, pencils, and one QBG tote bag per group.

Teachers can find out more about each of the programs and book a workshop at <https://queensbotanical.org/learn/youth/>. Please email groups@queensbotanical.org with any questions.

QBG offers free admission every Wednesday from 3-6pm and Sundays from 9-11am. https://queensbotanical.org/hours_admission/

GUIDELINES

- Class Trip vouchers are for UA-participating science teachers to bring only the students they teach on up to two trips per school year.
- Class trip vouchers expire on May 31st.
- UA school groups can visit UA institutions and book online (virtual) class programs.
- Class Trip Redeem Codes (Voucher ID) must be presented at the time you book your reservation.
- Each voucher admits 40 people.

To book a yellow bus, use this link: https://www.opt-osfns.org/opt/schools/field_trips/ftriplogin.aspx
